Introduction

This Volunteer Agreement is a description of the arrangement between us, Sussex Green Living (SGL), and the volunteer (named at the end of the agreement) in relation to your voluntary work. The intention of this agreement is to assure you that we appreciate your volunteering with us and to indicate our commitment to do the best we can to make your volunteer experience with us a positive and rewarding one.

Part 1 SGL

We, SGL, accept the voluntary service of the volunteer beginning the date that this agreement is signed.

We commit to the following:

1. Induction and training

To provide an induction on the work of SGL, its staff and volunteers, your volunteering role and any training necessary to assist you in meeting the responsibilities of your volunteering role.

2. Supervision, support and flexibility

To define appropriate standards of our services, to communicate them to you, and to encourage and support you to achieve and maintain them as part of your voluntary work.

To provide a named supervisor who will meet with you to discuss your volunteering and any associated issues that may arise.

To do our best to help you develop your volunteering role with us and to be flexible in how we use your volunteering.

3. Expenses

To reimburse agreed expenses incurred by you in doing your voluntary work on production of evidence of the expenditure.

4. Health and safety

SGL accepts that it has a duty of care to avoid exposing its volunteers, visitors and customers to any risks which may affect their health, safety and well-being.

Volunteers should avoid, wherever possible, working alone.

All volunteers are expected to take responsibility for their own health and safety whilst on the premises and follow the correct safety procedures when fulfilling their SGL roles.

All volunteers must read the relevant Risk Assessment and Health & Safety documents appropriate to their role.

Please let us know if you have any serious health issues.

5. Insurance

To provide adequate insurance cover for volunteers whilst undertaking voluntary work approved and authorised by us.

6. Equal opportunities

SGL is committed to equal opportunities. Those from different backgrounds, age groups, cultures, genders and outlooks are encouraged to volunteer to increase diversity and offer a fresh approach. Volunteers with a disability are also welcome.

7. Problems

To endeavour to resolve in a fair and just manner any problems, grievances or difficulties which may be encountered while you volunteer with us.

Part 2 The volunteer

I, the volunteer, agree to be a volunteer with SGL and commit to the following:

1. To help SGL fulfil its aims and objectives.
2. To perform my volunteering role to the best of my ability
3. To adhere to the organisation’s rules, procedures and standards, including health and safety procedures and its equal opportunities policy in relation to its staff, volunteers and customers.
4. To maintain the confidential information of the organisation and of its clients.
5. To meet the time commitments and standards undertaken, other than in exceptional circumstances, and provide reasonable notice so that alternative arrangements can be made.
